NEW RELEASES

Alexander's Care of the Patient in Surgery *ROTHROCK*

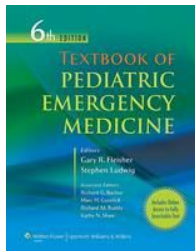

This edition offers step-by-step instructions for over 400 surgical interventions as well as many minimally invasive surgical procedures, all backed by the latest research. More than 1,000 full-colour illustrations and photos depict procedures and methods, as well as surgical anatomy and instrumentation.

This edition adds Rapid Response Team boxes with suggested interventions, plus coverage of new trends in patient and staff safety, the increase in interventional radiology, and the growth of outpatient ambulatory surgery.

ISBN: 9780323069168

RRP: \$134.00

OUR PRICE: \$120.00

Textbook of Pediatric Emergency Medicine

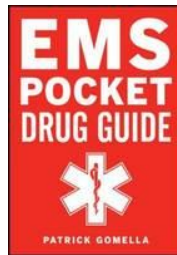

FLEISHER; LUDWIG; HENRETIG

This edition's highlights include new chapters on palpitations, cystic fibrosis, travel related emergencies, and ultrasound and a new appendix on practice pathways. The medical, surgical, and trauma sections present topics in alphabetical order for easier access. The contributors have revised and updated every chapter and included contemporary references.

ISBN: 9781605471594

RRP: \$220.00

OUR PRICE: \$196.00

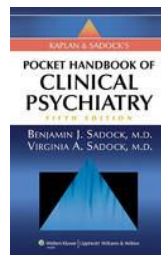

EMS Pocket Drug Guide

The detail you need without sacrificing ease of use; essential information on 1000 of the most commonly prescribed medications and more than 70 drugs most often used in the pre-hospital setting; drug-specific EMS pearls, including signs and symptoms of overdose and specific overdose management; sections on street drugs and medicinal herbs; quick field reference tables, including cardiac algorithms, weight conversion, and injury severity scores.

ISBN: 9780071664073

RRP: \$19.00

OUR PRICE: \$17.00

Kaplan and Sadock's Pocket Handbook of Clinical Psychiatry

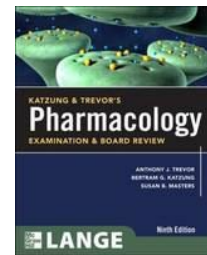

SADOCK; SADOCK

Remains a staple for medical students on psychiatric rotations, psychiatric residents, practitioners, and mental health professionals. In an easy-to-scan outline format, this popular quick-reference handbook summarizes the etiology, epidemiology, clinical characteristics, diagnosis, and treatment of all psychiatric disorders in adults and children.

ISBN: 9781605472645

RRP: \$72.60

OUR PRICE: \$65.00

Katzung and Trevor's Pharmacology Exam and Board Review

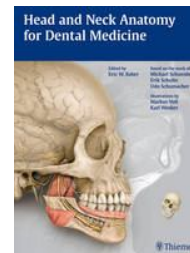

TREVOR; KATZUNG; MASTERS

Features a new full-colour presentation. Organised to reflect course syllabi, it focuses on the clinical use and pharmacology of drug categories, rather than individual drugs. It provides two complete practice exams. There is a valuable appendix of test-taking strategies.

ISBN: 9780071701556

RRP: \$70.00

OUR PRICE: \$63.00

Head and Neck Anatomy for Dental Medicine

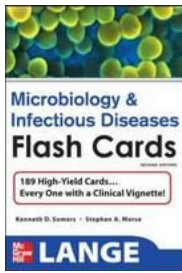

BAKER; SCHULTE; SCHUENKE

Combines concise but thorough explanatory text with stunning full-colour illustrations to guide the reader through every structure of the head and neck. Its exquisite artwork and detailed coverage make this atlas an essential learning tool and reference for every student and practitioner of dental medicine. It will also be useful for otolaryngologists, speech pathologists, or anyone who deals primarily with the head and neck.

ISBN: 9781604062090
